

# Everything You Are

## Big Daddy Weave

You are Holy, God of the Heavens  
Almighty. Lord of Creation  
You have power the universe displays  
All things fade away, but You remain[Chorus]  
And Your mercies stretch across my life  
As far as I can see  
And I know from experience  
That You are good indeed  
I stand here in amazement of  
Your awesome majesty  
For words cannot describe oh God  
Everything You are to me You are Father, You called me Your very own  
My Redeemer, You left Heaven's throne  
My ransom, with blood for me You paid  
So one day unashamed I'll see Your face[Chorus] Indescribably good, Lord that's what You are to me  
You are making me into just what You want me to be You are Jesus, and I love You[Chorus]
