

Across The Ocean

Our Last Night

Now I've traveled across the ocean
With the same shoes just longer hair
Still carry that picture in my wallet
From the photo booth, yeah, it's still there
Just give me some kind of sign
Is this the right place or the right time?
Is this the right time?
Now I've landed in the Midwest
Where you lived so long ago
Remember I was always freezing
And now I'm covered up in snow
Just give me some kind of sign
Is this the right place or the right time?
Is this the right time?
