

# Fatal Tragedy

## Dream Theater

Alone at night  
I feel so strange  
I need to find  
All the answers to my dreams When I sleep at night  
I hear the cries  
What does this mean? I shut the door and traveled to another home  
I met an older man, he seemed to be alone  
I felt that I could trust him  
He talked to me that night "Lad, did you know a girl was murdered here?"  
This fatal tragedy was talked about for years  
Victoria's gone forever, only memories remain  
She passed away, she was so young "Without love, without truth  
There can be no turning back  
Without faith, without hope  
There can be no peace of mind As the night went on  
I started to find my way  
I learned about a tragedy  
A mystery still today I tried to get more answers  
But he said, "You're on your own"  
Then he turned away and left me  
As I stand there all alone  
He said, "You'll know the truth  
As your future days unfold, unfold" Without love, without truth  
There can be no turning back  
Without faith, without hope  
There can be no peace of mind Now it is time to see how you died  
Remember that death is not the end  
But only a transition
