

Every Heart That Is Breaking (For Every Heart)

[Twila Paris](#)

For the young abandoned husband left alone without a reason
For the pilgrim in the city where there is no home
For the son without a father, for his solitary mother
I have a messageHe sees you, He knows you
He loves you, He loves youEvery heart that is breaking tonight
Is the heart of a child that He holds in His sight
And oh, how He longs to hold in His arms
Every heart that is breaking tonightFor the precious, fallen daughter, for her devastated father
For the prodigal who's dying in a strange new way
For the patriot with no country
I have a messageHe sees you, He knows you
He loves you, He loves youEvery heart that is breaking tonight
Is the heart of a child that He holds in His sight
And oh, how He longs to hold in His arms
Every heart that is breaking tonight
