

We Found Love (feat. Calvin Harris)

Rihanna & Calvin Harris

Yellow diamonds in the light
And we're standing side by side
As your shadow crosses mine
What it takes to come alive...

It's the way I'm feeling I just can't deny
But I've gotta let it go...

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place...

Shine a light through an open door
Love and life I will divide
Turn away cause I need you more
Feel the heartbeat in my mind...

It's the way I'm feeling I just can't deny
But I've gotta let it go...

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place...

Yellow diamonds in the light
And we're standing side by side
As your shadow crosses mine
What it takes to come alive...

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place...
