# Chasing Rainbows

## The Reasoning

They drag me underground
The lights are slowly fading
The world I thought I knew
I never knew at all
The dead don't make a sound
Unless you're chasing rainbows
And then they scream your name
Clawing at the gates
So pull me out
And hold me down
Let's find a way
To lose ourselves
Take me to the sun
I feel I'm chasing rainbows
And now I'm lost and all alone
Waiting for a chance to
Sink my teeth into
Another desperation
Now into your room in
Paradise!
Are we just dreaming
In the city that never sleeps?
'Cause I can't be seeing
What my eyes tell me
Am I just dreaming?
This can't be in my veins
Everything I ever knew
Will never be the same
So chew me up, and spit me out
Let's find a way to save ourselves
So pull me out
And hold me down
Let's find a way

To lose ourselves
Take me to the sun
I feel I'm chasing rainbows
And now I'm lost and all alone
Waiting for a chance to

Sink my teeth into
Another desperation
Now into your room in
Paradise!
And now I feel it.
Yeah, I feel it in my blood!
I can't fight this anymore
I've given up!
I've given up!
Take me to the sun
I feel I'm chasing rainbows
And now I'm lost and all alone
Waiting for a chance to
Sink my teeth into
Another desperation
Now into your room in
PARADISE!
Take me to the sun
I feel I'm chasing rainbows
And now I'm lost and all alone
Waiting for a chance to
Sink my teeth into
Another desperation
Now into your room in
Paradise!
Yeah!
