18 Wheeler

P!nk

Hey hey man, what's your problem
I see you try to hurt me bad
Don't know what you're up against
Maybe you should reconsider
Come up with another plan
Cause you know I'm not that kind of girl
That'll lay there let you come first

[Chorus]
You can push me out the window
I'll just get back up
You can run over me with your 18 wheeler truck
And I won't give a fuck
You can hang me like a slave
I'll go underground
You can run over me with your 18 wheeler but
You can't keep me down

Hey hey girl, are you ready for today
You got your shield and sword
Cause it's time to play the games
You are beautiful even though you're not for sure
Don't let him pull you by the skirt
You're gonna get your feelings hurt

[Chorus]
