

# American - Soviets (the cameron paul remix)

## C.C.C.P.

G: Good evening  
this is Mr. Gorbachev-

R: Hello  
Gorby

this is the White House  
Ronald Reagan speaking-

G: Hello  
my old friend  
how are you today ?

R: Fine ! It's time for our daily chess-match  
are you ready ?

G: Yes  
my last move yesterday was the Queen from A6 to B6-They both send their weapons into space-  
their people's problems they seem to displace-  
the arms-race is what they can't negotiate-  
why ain't it chess about what they debate ?What went wrong on the Gulf of Iran ?  
Why did the Russians invade Afghanistan ?  
Why not save the money for the armamentsand be chess-partners in the tournament ?
