

# Moonrise

[Sandra Lyng](#)

Look  
I get it boy  
play it cool  
Like I'm just a toy  
So hush don't you say it boy  
Cause I know  
Now we gonna destroy  
You can be tough  
Say that's enough But never to mean, to extreme  
You can be wrong, but usually right  
I thought you'd be mine, by this time  
You are nothing but a memory  
Still you make me more like crazy  
Why did we, we let the sun come up  
Why did we, we let the moon go down  
We let the moon go down, down, down I know we had our fun, never liked  
Being on my own  
Baby please, say it's not gone  
Cause we, never felt to wrong  
You can be tough  
Say that's enough But never to mean, but to extreme  
You can be wrong, but usually right  
I thought you'd be mine, by this time  
You are nothing but a memory  
Still you make me more like crazy  
Why did we, we let the sun come up  
Why did we, we let the moon go down  
We let the moon go down, down, down
