Like Dynamite

Danko Jones

When I'm feeling under the weather
She's the only one that makes me better
I need her long legs
Wrapped around my head
People say she comes on strong
They don't know it turns me on
That's alright 'cause at the end of the day
She gets away
'Cause when we make love
It's like dynamite
'Cause when we make love
It feels alright
When I need to get up and go on tour
She's the one that makes it
Hard to walk out the door
I miss her being around
Whenever I'm out of town
And when I'm on the run
Home is where we meet for fun
That's how I am tonight
I'm getting mine
'Cause when we make love
It's like dynamite
'Cause when we make love

It feels alright
'Cause when we make love
It's like dynamite
'Cause when we make love
It feels alright
Oh yeah
I don't need no more magazines
So douse us in gasoline
When I'm feeling under the weather
She's the only one that makes me better
I need her long legs
Wrapped around my head
People say she comes on strong
They don't know it turns me on

That's alright 'cause at the end of the day
She gets away
'Cause when we make love
It's like dynamite
'Cause when we make love
It feels alright
'Cause when we make love
It's like dynamite
'Cause when we make love
It feels alright
