

Wheels

Jamie Cullum

Everyday you live a life so full of hope
Shouldn't drag your soul around you like a length of rope
You remember everything you thought your life would be
Well its fallin through the cracks of ancient history Oh, Is this something that I never, something that i never had
Oh, Is this something that I never, something that i never had
Tell you what I've heard
The wheels are falling off, the wheels are falling off the world Friday night and everything is A okay
We are living like we've always known a different way
We are taking on our different roads before our goal
It'll bring you back around to the one you know Oh, Is this something that I never, something that i never had
Oh, Is this something that I never, something that i never had
Tell you what I've heard
The wheels are falling off, the wheels are falling off the world
