

# Dead In A Grave

## Rev Theory

Heads up man  
I'm a motherfucker  
Holding my head high  
(I'm not dead in a grave) I'm a sinner  
I'm a saint  
In the city of hell  
(Hey, Hey, Hey) Like a Molotov cocktail ready to ignite, yeah  
(I'm not dead in a grave)  
I'm gonna set this city in flames Don't give a fuck if I burn away  
Just take a good look now  
'Cause you might miss this! I'm still breathin'  
Fuck your sympathy  
Don't need it  
I'll keep kickin' til'  
I'm right dead in a grave Can't stop now  
I'm a headcase  
Coming to get mine  
(I got something to say)  
Cold heart  
Vendetta  
Are you ready to pay  
(Hey, Hey, Hey)  
I'm a goddamn freight train  
Runnin' at midnight  
Yeah  
(So get out of the way)  
I'm locked and loaded and  
I'm still in the game Don't give a fuck if I burn away  
Just take a good look now  
'Cause you might miss this I'm still breathin'  
Fuck your sympathy  
Don't need it  
I'll keep kickin' til'  
I'm right dead in a grave I'll keep kickin' til'  
I'm right dead in a grave!  
(hey, hey)  
(hey, hey)  
(hey, hey)  
Yeah!

I'm still breathin'  
Fuck your sympathy  
Don't need it  
I'll keep kickin'  
Kickin'  
Kickin'I'm still Breathin'  
Fuck your sympathy  
Don't need it  
I'll keep kickin' til'  
I'm right dead in a graveI'm still breathin'  
Fuck your sympathy  
Don't need it  
I'll keep kickin' til'  
I'm right dead in a grave  
Yeah I'm right dead in a grave!  
I'm right dead in a grave!  
(Hey, Hey, Hey, Hey)
