Stand By Your Man

Lynn Anderson

Sometimes it's hard to be a woman
Giving all your love to just one man
You'll have sad times and he'll have good times
Doin' things that you don't understandBut if you love him you'll forgive him
Even though he's hard to understand
And if you love him be proud of him
'Cause after all he's just a manStand by your man
Give him two arms to cling to
And something warm to come to
When the nights are cold and lonelyStand by your man
And show the world you love him
Keep giving all the love
You can stand by your man
