

# What You Need

[INXS](#)

Hey, here is the story  
Forget about troubles in life  
Don't you know it's not easy?  
When you gotta walk upon that line That's why you need, oh that's why  
This is what you need, I'll give you what you need Don't you get sad and lonely  
You need a change from what you do all day  
Ain't no sense in all your crying  
Pick it up and throw it into shape, ooh yeah That's why you need, oh that's why  
This is what you need, I'll give you what you need This is what you need, I'll give you what you need  
This is what you need, I'll give you what you need  
I'll give you what you need Hey you, won't you listen?  
This is not the end of it all  
Don't you see, there is a rhythm?  
I'll take you where you really need to be What you need, what you need  
I'll give it all, I'll give it all, I'll take you  
I'll take you where you want to be  
That's right
