Just Go Away

Blondie

Oh oh, don't ya know?
Don't wanna see ya any more
Put up or shut up
You spell, you read D O O R
You got a big mouth, I'm happy to see
Your foot is firmly entrenched where a molar should be
If you talk much louder you could get an award
From the federal communications board
Don't be cruel, be a thing, sweet thing as a rule
Don't be sad, I left you in the street you're pre-fab
I had to get away
Don't go away sad, don't go pre-fab
Don't go be bad, don't go away mad
Just go away
Oh oh, don't ya know?
Don't wanna see ya here no more
Pack it and move it
You spell, you read O U T, out
Don't be bad, a mad hatter's beret
Sometimes you look like you just made an escape
Don't be mad or lose your Medicaid cool
Of course cool rhymes with fool
Don't go be bad 'cause you been had
Don't go away sad, don't go away mad
Just go away
Oh oh, don't ya know?
I don't wanna see ya curse and pout
Pack it and move it
You spell, you read O U T, out
You got a big mouth, I'm happy to see
Your foot is firmly entrenched where a molar should be
Don't be mad or lose your Medicaid cool
Of course cool rhymes with fool
Don't go be bad 'cause you been had
Don't go away sad, don't go away mad
Just go away
Don't go be bad 'cause you been had
Don't go away sad, don't go away mad
Just go away

Go away and stay away
