

Black and White

[Regina Spektor](#)

All my love
In black and white
On this color photograph
Sad sad eyes
Know too much
You will always start to cry Why should I wait for tomorrow?
Why should I wait for tomorrow? When you left
I closed the door
Closed my eyes
Sat on the floor
Heart beat fast
Mind got slow
This great love is
All I know Why should I wait for tomorrow?
Why should I wait for tomorrow?
