Daniel (Adam Riddell Remix)

Bat for Lashes

Daniel, when I first saw you
I knew that you had a flame in your heart
And under wild blue skies
Marlboro ruby skies
I found a home in your eyes
And we'd never be apartAnd when the fires came
The smell of cinders and rain
Perfumed almost everything
We laughed and laughed and laughedAnd in the golden blue
Car you took me to
The darkest place you knew
Set fire to my heartWhen I run in the dark
Daniel
Into a place that's vast
Daniel
Under a sheet of rain in my heart
Daniel
I dream of home
