Brand New Day (Club Mix)

Mike Candys

See the sun in the sky, let's have a good time
Life is going on, this is a brand new day
Dance and feel fine, we see the stars shine
Life is going on, this is a brand new dayIt feels like a brand new day
We made it, that's right
This is a brand new day
Let's celebrate, come onSee the sun, e-e-e-e-e a-a-a-a this is a brand new day
See the sun, e-e-e-e-e a-a-a-a this is a brand new day
We taking off, this is a brand new day, so thank God
Holding ... so we ain't gon' stop
A celebration tonight we rock
Woke up in the morning feeling like a brand new man
The sun still shines and the world didn't end
And the kids still playing, and the world ...
And boom thank God for making my friends
So take your chance to make the world alright
Tonight's the night, we gon' go all night
It's a party right to celebrate your life
Better yet, we'll celebrate all night
Cause ... have the world shaking,
The world didn't end when they said it will
But instead we're here, and we made it
To the brand new day that we're making
See the sun in the sky, let's have a good time
