

To Be Over (Remastered Version)

Yes

We go sailing down the calming streams
Drifting endlessly by the bridge
To be over
We will see
To be over Do not suffer through the game of chance that plays
Always doors to lock away your dreams
Think it over
Time will heal your fear
Think it over
Balance the thoughts that release within you Childlike soul dreamer one journey
One to seek and see in every light do open
True pathways away Carrying closer go gently
Holding doors will open every way
You wander true pathways away
