Love Mist

Alexis Jordan

The way, the way
The way you make me feel, boy
Yeah, oh, oh, babyOh, whoa, the way I feel when you touch me
Oh, whoa, no other like you can love me
Oh, whoa, the way I feel when we kiss
Oh, whoa, you got me feelin' love mistIt feels like sing-a-ling-ling, boy
When I think about us
It feels like ting-a-ling-ling, boy
Feel the mist of our loveIt feels like ting-a-ling-ling, boy
When I think about us
It feels like ting-a-ling-ling, boy
Feel the mist of our loveCan I get this feeling now?
Found no other in this world
Baby, we can take it slow
And forever be in loveOh, whoa, the way I feel when you touch me
Oh, whoa, no other like you can love me
Oh, whoa, the way I feel when we kiss
Oh, whoa, you got me feelin' love mist
Oh, whoa, the way I feel when you touch me
Oh, whoa, you got me feelin' love mistMy arms need your love
No one else's touch
When I'm all alone
Feels like my heart's crushedThe feeling is right
My days you'll make bright
Together we rise
Need your lovin' tonightCan I get this feeling now?
Found no other in this world
Baby, we can take it slow
And forever be in loveOh, whoa, the way I feel when you touch me
Oh, whoa, no other like you can love me
Oh, whoa, the way I feel when we kiss
Oh, whoa, you got me feelin' love mistOh, whoa, the way I feel when you touch me
Oh, whoa, no other like you can love me
Oh, whoa, the way I feel when we kiss
Oh, whoa, you got me feelin' love mistOh, whoa
(The way I feel when you touch me)
Oh, whoa
(No other like you can love me)
Oh, whoa

(The way I feel when we kiss)Oh, whoa, you got me feelin' love mist
