

# As Long as I Have You

Elvis Presley

Let the stars fade and fall  
And I won't care at all  
As long as I have you Every kiss brings a thrill  
And I know that it will  
As long as I have you Let's think of the future  
Forget the past  
You're not my first love  
But you're my last Take the love that I bring  
Then I'll have everything  
As long as I have you Let's think of the future  
Forget the past  
You're not my first love  
But you're my last Take the love that I bring  
Then I'll have everything  
As long as I have you  
As long, as long as I have you
