

# One (feat. U2)

Mary J. Blige

Is it getting better  
Or do you feel the same  
Will it make it easier on you now  
You got someone to blame You say  
One love  
One life (one life)  
When it's one need  
In the night  
It's one love (one love)  
We get to share it (oh)  
It leaves you darling  
If you don't care for it Did I disappoint you?  
Or leave a bad taste in your mouth?  
You act like you never had love  
And you want me to go without Well it's too late  
Tonight  
To drag the past out into the light  
We're one but we're not the same  
We get to carry each other  
Carry each other  
One, one, one (one), one (one) Have you come here for forgiveness  
Have you come to raise the dead  
Have you come here to play Jesus  
To the lepers in your head  
Did I ask too much  
More than a lot  
You gave me nothing  
Now it's all I got  
We're one but we're not the same  
We hurt each other  
Then we do it again You say  
Love is a temple  
Love a higher law  
Love is a temple  
Love is the higher law  
You ask of me to enter  
But then you made me crawl  
And I can't be holding on  
To what you got

When all you got is hurt One love  
One blood  
One life  
You got to do what you should One life  
With each other  
Sisters  
And my brothers One life  
But we're not the same  
We get to carry each other  
Carry each other One (one), one (one), one, one (one)  
One love, one life
