

This Year's Kisses

Hal Kemp

This years crop of kisses
Don't seem as sweet to me
This years crop just misses
 What kisses used to be
 This years new romance
 Doesn't seem to have a chance
Even helped by Mr. Moon above ohh
This years crop of kisses is not for me
'Cause I'm still wearin' last years love
 This years crop of kisses

 Don't seem as sweet to me
 This year's crop just misses
 What kisses used to be
 This years new romance
 Doesn't seem to have a chance
 Even helped by Mr. Moon above
 This years crop of kisses is not for me
Is not for me 'cause I'm still wearin' last years
 I'm still wearin' last years
 I'm still wearin' last years love
