

# I'm At War

Sean Kingston

(I'm at war)  
Fightin' for the one that I love and the one that I truly need  
(I'm at war)  
Shawty, I take a bullet for you girl 'cause you mean the world to me  
(I'm at war)  
Me love you girl, you lovin' me  
So don't fight together 'cause it was meant to be  
Me feel like I'm in the army  
'Cause to be with you, that's where my heart wanna be  
It's like I'm about to die just to get with you  
Feel like you're putting me through World War II  
Got my soldier suit and my Timberland boots  
Girl I'm down for whatever 'cause my love is true  
(So I tell her)  
I'm at war with the love of my life  
Sweat from my brows, running down to my eyes  
Everything you are is what I need in my life  
(My life, my life)  
(I'm at war)  
Fightin' for the one that I love and the one that I truly need  
(I'm at war)  
Shawty, I take a bullet for you girl 'cause you mean the world to me  
(I'm at war)  
At war, at war, at war, at war  
At war, I'm at war  
At war, at war, at war, at war  
At war, I'm at war  
Salute to all the veterans and girl your love's like a nuclear weapon  
I'm a five star purple hearter, purple sparker camouflager  
Follow my every command and order  
You can just call me Captain Carter  
So let the missiles rain on your parade  
'Cause my love is a soldier and my heart is a grenade  
(Kaboom)  
I'll bomb any platoon, just call me World War Tune  
(I'm at war)  
Fightin' for the one that I love and the one that I truly need  
(I'm at war)  
Shawty, I take a bullet for you girl 'cause you mean the world to me

(I'm at war)  
Your mother said don't talk to me  
(No)  
But it went through those ears girl as I can see  
So make me know what's your fantasies  
'Cause baby girl I think that stands to me  
I'm on the front line and I'm risking my life  
I'll make a sacrifice just to have you by my side  
You're the one I love, you're the one I trust  
I'll hurt someone that come between us  
(So I tell her)  
I'm at war with the love of my life  
Sweat from my brows running down to my eyes  
Everything you are is what I need in my life  
(My life, my life)  
(I'm at war)  
Fightin' for the one that I love and the one that I truly need  
(I'm at war)  
Shawty, I take a bullet for you girl 'cause you mean the world to me  
(I'm at war)
