## Brand New

Advisory - the following lyrics contain explicit language:

Passed out on the overpass  
Sunday best and broken glass  
Broken down from the bikes and bars  
Suspended like spirits over speeding cars  
You and me we're kings over the parkway tonight  
And tonight will go on forever while we  
Walk around this town like we own the streets  
And stay awake through summer like we own the heat  
Singing 'Everybody wake up it's time to get down'  
(Wake up everybody, everybody wake up it's time to get down)  
And when I pass the bottle back to Pete  
On the overpass tonight, I bet we laugh  
I'm gonna stay eighteen forever  
(Cut me open)  
So we can stay like this forever  
(Sun poisoned)  
And we'll never miss a party  
(This offer)  
'Cause we keep them going constantly  
(Stands forever)  
And we'll never have to listen  
(New haircut)  
To anyone about anything  
(New bracelet)  
'Cause it's all been done and it's all been said  
(Eyeliner)  
We're the coolest kids and we take what we can get  
The hell out of this town find some conversation  
The low fuel lights been on for days, it doesn't mean anything  
I've got another 500, 'nother 500 miles  
Before we shut this engine down, we shut it down  
I'm gonna stay eighteen forever  
(Cut me open)  
So we can stay like this forever  
(Sun poisoned)  
And we'll never miss a party  
(This offer)  
'Cause we keep them going constantly

(Stands forever)And we'll never have to listen  
(New haircut)  
To anyone about anything  
(New bracelet)  
'Cause it's all been done and it's all been said  
(Eyeliner)  
We're the coolest kids and we take what we can get  
(Wait forever)(You're just jealous 'cause I'm young and in love)  
Eighteen forever  
(First kisses)  
(Your stomach's filled up but you're starved for conversation)  
So we can stay like this forever  
(New stitches)  
(You're spending all your nights growing old in your bed)  
And we'll never miss a party  
(Collar weekend)  
(And your tearin' up your photos 'cause you wanna forget it's over)  
'Cause we keep them going constantly  
(Appearance ticket)(You're just jealous 'cause I'm young and in love)  
And we'll never have to listen  
(November to)  
(Your stomach's filled up but you're starved for conversation)  
To anyone about anything 'cause it's all been done  
(Remember)  
(You're spending all your nights growing old in your bed)  
And it's all been said  
(Night swimmers)  
(And your tearin' up your photos 'cause you wanna forget it's over)  
We're the coolest kids and we take what we can getJust jealous 'cause we're young and in love  
You're just jealous 'cause we're young and in love  
You're just jealous 'cause we're young and in love  
You're just jealous 'cause we're young and in love  
You're just jealous 'cause we're young and in love  
You're just jealous
