

# Champion Sound (Remix)

## Jaylib

Get up in it  
Start her up  
Get her washed dog, prime her armor up!  
Big wheels, Cadillac grilled up  
Keep your Esc cause daddys' got the Dilla  
Custom, plus them  
22's but you say what's them?  
3rd row, square 10's  
I let the bass hit so they wear in  
So loud, (What!) roll out (What!)  
Tint the windows with the hydro cloud  
Big trucks, best when it's cold out  
Hear me pulling up in front of yo' house  
When I hops in, it gets to choppin'  
All Jeep niggas keep it knockin'Yeah, for my live niggas, ugh  
Here we go, another chapter  
I ain't lickin' no, neck no back  
Better get my nuts, my sac  
Whether in my truck, my pad  
My live thug niggas know what I mean  
A live bitch thots what I need  
And I ain't about to spend no money on her  
Nothing more than a hundred on her  
To the stripper and runnin' on her  
In a minute I'll be cummin' on her  
That's it, like that quick  
Dilla Dawg, Madlib that shit!
