

# Jigsaw Falling into Place

## Radiohead

Just as you take my hand  
Just as you write my number down  
Just as the drinks arrive  
Just as they play your favorite songAs your blather disappears  
No longer wound up like a spring  
Before you've had too much  
Come back and focus againThe walls abandon shape  
You've got a Cheshire cat grin  
All blurring into one  
This place is on a missionBefore the night owl  
Before the animal noises  
Closed circuit cameras  
Before you're comatoseBefore you run away from me  
Before you're lost between the notes  
The beat goes round and round  
The beat goes round and roundI never really got there  
I just pretended that I had  
What's the point of instruments  
Words are a sawed off shotgunCome on and let it out  
Come on and let it out  
Come on and let it out  
Come on and let it outBefore you run away from me  
Before you're lost between the notes  
Just as you take the mic  
Just as you dance, dance, danceJigsaw falling into place  
There is nothing to explain  
Regard each other as you pass  
She looks back, you look back  
Not just once, not just twiceWish away nightmare, wish away nightmare  
You got a light, you can feel it on your back  
A light, you can feel it on your back
