

'Cause I Sez So

New York Dolls

Go point your camera some other way
Ain't gonna be in your movie today
You got surveillance for reality
Then you best not even look at me! Why, why, why? Cause I sez so.
Why, why, why? Cause I sez so. Takin' pretty pictures everywhere I go
Orwell in the bathroom watching me go
I give the finger to the eye in the sky
I ain't no model, I'm a regular guy! Why, why, why? Cause I sez so.
Why, why, why? Cause I sez so. Even the bodega was makin' movies, yo!
Everything I do is on the video
Flew into JFK, was lousy with oink
I hear they lock you up for smokin' a joint. Why, why, why? Cause I sez so.
Why, why, why? Cause I sez so. I sez so
I sez so
I sez so
Yeah I sez so
Yeah! I say yeah
Cause I sez so.
