

# Returning the Faith

## Ty Herndon

I pulled on  
The highway  
Another day for the wanderer  
I knew something  
Was out there  
Around the corner from where we were  
You could have  
Cut and run  
Straight back to Tennessee  
But you stood true  
A real rock  
And never doubted me  
Chorus:  
I will be there  
Any time you need me to  
As much as you believed in me  
I'm returning the faith to you  
I'm returning the faith to you  
You held me  
With a sure hand  
You gave love every step of the way  
If it takes me  
Forever  
I'll give back everything that you gave  
Repeat Chorus  
Bridge:  
You saved me, now baby  
I wanna do a little something  
for you  
Repeat Chorus
