

Ghost World

[Aimee Mann](#)

Finals blew, I barely knew
My graduation speech
And with college out of reach
If I can't find a job it's down to dad
And myrtle beach So, I'm bailing this town-or
Tearing it down-or
Probably more like
Hanging around,
Hanging around Everyone I know is acting weird
Or way too cool
They hang out by the pool
So I just read a lot and ride my bike
Around the school 'cause I'm bailing this town-or
Tearing it down-or
Probably more like
Hanging around,
Hanging around And all that I need now
Is someone with the brains
And the know-how
To tell me what I want...
Anyhow 12th of June, a gibbous moon
Was this the longest day?
I'll walk down to the bay
And jump off of the dock and watch
The summer waste away Then, I'm bailing this town-or
Tearing it down-or
Probably more like
Hanging around
Hanging around
Just hanging around So tell me what I want
