

Haunting

Eyerer & Chopstick

There's always someone haunting someone - haunting someone

Like an echo in the wind leaves, unreconciled -

Waiting to be picked up and bounced down again on

Listeners earsThere's always someone haunting someone - haunting someone

And you know who I am

Though I never leave my name or number

I'm locked inside of you so it doesn't matterThere's always someone haunting someone - haunting someone

And you know who I am

Though I never leave my name or number

I'm locked inside of you so it doesn't matterThere's always someone haunting someone - haunting someone

And I can't sleep easy

'Cause I'm afraid of dreaming

And then the memory of the dream

There's always someone haunting someone

Haunting someone

Haunting someone
