

Waiting for the Tide

Melanie Doane

I cry up to the man in the moon
He's the only one can help me now
I bought the line that as long as I tried
I could not leave empty handed
But I've done all I can do
And now I leave it up to youI'm waiting for the tide to turn
Waiting for the tide to turn
Waiting, waiting for the tide
To take me
To take me awayGoodnight moon
I should be talking to Neptune
He's the one who will teach me patience
For whoever rules the sea
Is now the ruler over meI'm waiting for the tide to turn
Waiting for the tide to turn
Waiting, waiting for the tide
To take meSo I have proved
Some things can't be moved
And here I wait
But my faith is weak
And the water's creeping
Up to my chin, I amWaiting for the tide to turn
Waiting for the tide to turn
Waiting, waiting for the tide
To take me
