

Lord Kill the Pain

Red House Painters

Lord kill the painDon't want to ask you again
Kill my girlfriend
And kill my best friend Sam
Cause I saw them making eyes againLord kill the painDon't want to ask you again
Kill my neighbors
And all my family too
They doubt my directionLord let it rainDon't want to ask you again
Drown my country
Drown everyone but me
So I can live peacefullyOr put me to sleep here
And wake me in Japan
I want to speak a new languageDrop me a line and pull me out
But do not find me
Amongst dead underground
Let me hear the whining sound
Of a pig drownAnd lead me over summery hill
To a place I like to think about
And sedate me with Tylenol pills
Oh how I love to dream aboutDrop me a line and pull me out
But do not find me
Amongst life on the ground
Let me see the burning down
Of my home townLord kill the pain
