

Who We Are

Hope Partlow

I don't wanna put on my make up
Just like every girl in a magazine
That's not who I am when I wake up
That's not who I wanna be
There's so much more to me than
Meets the eye in this life
I know one thing
It doesn't really matter what you wear
Let the people stare
'Cause we are who we are
Who we are, who we are
It doesn't really matter what car you drive
It's good to be alive
Yeah, we are who we are
Who we are, who we are, who we are
Tell me, baby, do I look like the real thing
Or would you change the color of my eyes
Tell me why my television's filling me with lies
It doesn't really matter what you wear
Let the people stare
'Cause we are who we are
Who we are, who we are
It doesn't really matter what car you drive
It's good to be alive

Yeah, we are who we are
Who we are, who we are
There is beauty on the inside
Yeah, you're beautiful, alright
Though it doesn't really matter what you wear
Let the people stare
'Cause we are who we are
Who we are, who we are
It doesn't really matter what car you drive
It's good to be alive
Yeah, we are who we are
Who we are, who we are
It doesn't really matter what you wear
Let the people stare

It's good to be alive, good to be alive
Doesn't really matter what car you drive
It's good to be alive
(Who we are)
Yeah, we are who we are
Who we are, who we are
(Who we are)
It's good to be alive, good to be alive
When we are who we are
