

Snakes

Six Feet Under

Snakes, snakes
Snakes, snakes
Snakes, snakesCrawling roaches from rotten orifices
Worms sliding, feeding, eatingSnakes, snakes
Snakes, snakesCrawling roaches from rotten orifices
Worms sliding, feeding, eatingLosing life's blood, turning cold
Pressure building in your skullCracking, crushing turning screws
Brain is dripping out your noseCrawling roaches from rotten orifices
Worms sliding, feeding, eatingSnakes, snakes
Snakes, snakesSnakes, snakes
Snakes, snakes
