

Whatever Turns You On

Billy Ocean

follow your heart,
you gotta make your mind up from the start
don't hesitate,
you gotta move before it gets too late there'll be times,
down the line, when you might go astray
if you find,
peace of mind, don't let it slip away Whatever turns you on - enjoy yourself
And do it while you can
Whatever turns you on - enjoy yourself
And do it while you can
Whatever turns you on - enjoy yourself
And do it while you can
OOh you gotta be yourself (music break 5/4) reach for the stars,
it doesn't really matter who you are
never look down,
you'll never stop the world from turnin' 'round come what may,
everyday, you gotta live your life
everyday,
is the first day of the rest of your life Whatever turns you on - enjoy yourself
And do it while you can
Whatever turns you on - enjoy yourself
And do it while you can
Whatever turns you on - enjoy yourself
And do it while you can OOh you gotta be yourself
come what may,
everyday, you gotta live your life
everyday,
is the first day of the rest of your life Whatever turns you on - enjoy yourself
And do it while you can
Whatever turns you on - enjoy yourself
And do it while you can
Whatever turns you on - enjoy yourself
And do it while you can (you gotta be yourself - yeah!) Whatever turns you on - enjoy yourself
And do it while you can
Whatever turns you on - enjoy yourself
And do it while you can
Whatever turns you on - enjoy yourself
And do it while you can
And do it while you can (do that, do that, do that, do that, do it do it)
(you gotta be yourself) Whatever turns you on - enjoy yourself

And do it while you can(fade - end)
