Revere

Revere

Rules abound
To the sound
That everyone
Is someoneâ€™s

In my solitude you haunt me
With reveres

Days gone by
In my solitude
IS your dreaming

Lord above

CHORUS
Speaking softly
As your dreaming
Speaking softly
As your dreaming

Lord above
Please hear me

Dreams abound
To the sound
That everyone
Is someoneâ€™s
In my solitude you haunt me
With reveres
The days gone by
In my solitude
You taunt me

Chorus
Speaking softly
As your dreaming
Speaking softly

As your dreaming

Speaking softly
As your dreaming
Speaking softly
As your dreaming see less
