There's a Bat

Heavy Heavy Low Low

there's a bat
crawling
on my neck
and it's
a
big oneand it's got your number
and it's got mine too
and it'd be quite content
to feast on youoh my oh my oh my wordcrawling on my neck
crawling on my neckthen he spoke to me
horror!
horror!
what i thought it was at first
wasnt what i though it wasthere's a bat
on my neck
