Dance Me Around

Buffy Sainte-Marie

And when I think about all I missed
All those kisses that you gave to someone else
I wish I'd been around
But I was up there in the air
while you were over here
with both feet on the groundWho'd've ever thought it
that it shoulda been you and me
Got to find a way to show it
This effect you have on meWhen I think about what I missed
I wish I coulda been your girlAnd when I think about all I've lost
I could never count the cost
Cause of what we've got for free
And now it's later,
maybe better late than never
I don't know
But here you are with meDance Me Around again
Hold me like it's never gonna end
Finally I've found
somebody who's always been a friendWhen I think about what I missed
I wish I coulda been your girl.
