

Goodbye

Army of Anyone

Yeah, I got this
Thinking my head
Yeah, you wanna say

The things not saidWhat's the reason?Don't really care if you leave

Just wanna see you beaten

Don't really care if you grieve

Don't really need a reasonHey, goodbye

I wish you'd stayed here

I wish you were hereHey, goodbye

I wish you'd stayed here

I wish you were hereYeah, I got this

Feeling in my veins

Yeah, a helpless feeling

Mixed with painWhat's the meaning?I just can't believe

That you're not really with me

I just can't believe

I wonder if you'll miss meHey, goodbye

I wish you'd stayed here

I wish you were hereHey, goodbye

I wish you'd stayed here

I wish you were here

Hey, ooh
