I'm Not the Loving Kind

John Cale

when my lady passes me by
I lose the love I thought I had in mind
send no flowers or words of regret
cause I'm not the loving kindday by day I was hoping you'd be
the kind of love that would give me peace of mind
but it may just have passed me by
cause I'm not the loving kindoooh, aah, etc.
I'm not the loving kindoooh, aah, etc.
cause I'm not the loving kindYou don't believe it, yes it must be true
how I lost all the love I had in you
send me please no words of regret
cause I'm not the loving kindoooh, aah, etc.
cause I'm not the loving kind
