Keep On Fallin'

Eric Paslay

Hey there baby, what do you say?
There's a look in your eyes, lookin' my way
Castin' your stare my way all night
Got a crazy idea I think you'd likeHey sweet sugar, in her sexy boots
How 'bout a drive down the avenue
Thinkin' about a new tattoo
I'd love to see my name in ink on youLet's go rockin' 'til the sun comes up
Talkin', forever ain't enough
Fallin', in the moonlight love
Keep on fallin' when the sun comes up, yeahOh, I got a real fast jet black Pontiac
Enough cash in a suitcase to never come back
Been thinkin' 'bout flying down to paradise
It won't be the same if you're not by my sideRockin', 'til the sun comes up
Talkin', forever ain't enough
Fallin', in the moonlight love
Keep on fallin' when the sun comes up, yeahOh, yeah (Yeah)Keep on fallin' 'til you just let go
Keep on fallin', baby, here we goRockin' 'til the sun comes up
Talkin', forever ain't enough
Fallin' fallin' in the moonlight love
Keep on fallin' when the sun comes upRockin' 'til the sun comes up
Talkin', forever ain't enough
Fallin' fallin' in the moonlight love
Keep on fallin' when the sun comes up, yeah(Keep on fallin' when the sun comes up) When the sun comes up
(Keep on fallin' when the sun comes up) When the sun comes up
(Keep on fallin' when the sun comes up) C'mon, c'mon baby, baby
(Keep on fallin') When the sun comes up, yeah
