Ravenlord

Mystic Prophecy

He looks with evil eyes
The devil in disguise
The dogs of hell will rise
All the nations sacrifice
Creator of the lies
Death detractor crucified
With the demons in the night
No religion dead insideFor the crown he comes to fight
From the underworld insideThe Ravenlord
With blood he will capture the sky
When the morning comes you will die
Reborn in the underworld
Hail! The Ravenlord
He is the ultimate sin
Evilized the demon within
Eternal master of the world
Hail! The RavenlordFrom the darkness they will rise
With revenge and sacrifice
With the legion of the damned
Come to take the promise land
And the beast of hell will rise
Hell on earth will evilize
From the hell reborn in flame
