Fresh, fresh, fresh
Yes, I'm fresh
Hair check
(Uh-huh)
Gear check
(Uh-huh)
Lip-gloss check
(Yes)
Bag check
(Got it)
Jewels check
(Always)
Whip check
(Okay)
I'm fresh, fresh, fresh
I'm fresh, fresh, fresh
I'm so fresh, fresh, fresh
I stays fresh, fresh, fresh
My hair be fresh, my gear be fresh
Oh yea I'm fresh I got to stay fresh
I'm always fresh and this is couture hip-hop
I'm so fresh its like I'm straight
(yeah)
Out the zip-lock
I'm fresh dressed like a million bucks
Got the Louis Vuitton goggles
Emilio Pucci pumps with the Gucci Bra 36C cup
Both middle fingers up 'cause I don't give two fucks
And I'm fresh, fresh, yes, don't get mad
Bow-Legged stance crazy, look at the swagg
Look at the bag and it's official, look at the tags
And I ain't gay but goddamn my bitches is bad
And we fresh, you home depressed, you always stressed
You try to get fly but you don't never be fresh
I get compliments like, Ma you fresh
And I'm just taking out the garbage, damn I ain't even dressed
And I'm fresh, fresh, fresh
I'm fresh, fresh, fresh

I'm so fresh, fresh, fresh
I stays fresh, fresh, fresh
My hair be fresh, my gear be fresh
Oh yea, I'm fresh I got to stay fresh
I'm always fresh and this is couture hip-hop
I'm so fresh its like I'm straight
(Yeah)
Out the zip-lock
I'm back on the scene, crispy with creme
I ain't OutKast but I'm so fresh and so clean
Said I'm back the scene, crispy with creme
I ain't have to say it twice but it just sound so mean
Yes, I'm the queen and I stay fresh
And I'm still sexy so I have to get blessed
Ya socks is fresh, ya boxers is fresh
I'm still using condoms in case ya cock ain't fresh, yes
Tell the truth, I need no less than the best
Because I like to over do it, I'm extra fresh
And these hoes is stupid they extra deaf
But you ain't go to listen or hear me
I know that you can see that
I'm fresh, fresh, fresh
I'm fresh, fresh, fresh
I'm so fresh, fresh, fresh
I stays fresh, fresh, fresh
My hair be fresh, my gear be fresh
Oh yeah, I'm fresh I got to stay fresh
I'm always fresh and this is couture hip-hop
I'm so fresh it's like I'm straight
(Yeah)
Out the zip-lock
And Remy Ma fresh, Petite Paton fresh
With the mean Gino Green hoodie on, I'm fresh
Everyday I get dressed, I pop tags, I'm fresh
Joe Jeans fitting nice on the ass, I'm fresh
In NY, I'm fresh, in the Chi, I'm fresh
In the A M I A, and L.A., I'm fresh
Yes, in Texas I'm the freshest, shopping reckless
In case i dirty myself then I got refreshments
I'm fresh, the definition of fresh
On the phone with my shorty talking to him all fresh
I don't redo or reuse, I'm fresh
Looking in the rear view like, oh, I'm fresh
Yes, I'm so
I'm fresh, fresh, fresh

I'm fresh, fresh, fresh
I'm so fresh, fresh, fresh
I stays fresh, fresh, fresh
My hair be fresh, my gear be fresh
Oh yea I'm fresh I got to stay fresh
I'm always fresh and this is couture hip-hop
I'm so fresh its like I'm straight
(Yeah)
Out the zip-lock
