

# Trick

IMx

This is not a direct derogatory towards women  
This is only the meaning of what a trick is  
(Trick)

Woah, woah, woah, woah  
At the end of the night she think it ain't fun  
If the homies can't have none  
(Trick)Woah, woah, woah, woah  
(Trick)

If you got a tight back  
Woah, woah, woah, woah  
She's in it for the night  
(Trick)I ain't, ain't the one  
Back up girl you need to chill  
You need to slow it down  
You move too fast for me, yeah  
I'm letting you know the dealAnd every time you come around  
You're trying to be down  
But you keep getting clowned  
Girl you need to quit

'Cause don't nobody love a trickSee a trick will give you some  
At the end of the night she think it ain't fun  
If the homies can't have none  
Wanna get your thing on, it won't take long  
'Cause a trick will give it upIf you got a tight back  
She's in it for the night  
For me she ain't the one  
'Cause I need a real love  
And not just a hit and runEverybody gets to hit  
It don't take much cause you're a freak  
If you think he's a playa balling  
You'll be on the phone calling

(Trick)  
Trying to get a late night creepAnd every time you come around  
You're trying to be down  
But you keep getting clowned  
Girl you need to quit  
'Cause don't nobody love a trickSee a trick will give you some  
At the end of the night she think it ain't fun  
If the homies can't have none

Wanna get your thing on, it won't take long  
 'Cause a trick will give it up If you got a tight back  
 She's in it for the night  
 For me she ain't the one  
 'Cause I need a real love  
 And not just a hit and run For all the girls with no class  
 We don't want it, we don't want it  
 For all the girls that move too fast  
 We don't need it, we don't need it See what I need is a girl who's got my back  
 Now jumping in the back of every Jeep or Cadillac  
 A girl that don't give it up on the first date  
 Can you relate? Woah, woah, woah, woah, see a trick gets her some  
 At the end of the night she think it ain't fun  
 Wanna get your thing on, it won't take long  
 Woah, woah, woah, woah This is not a direct derogatory towards women

 Wanna get your thing on  
 It won't take long 'Cause a trick will give it up  
 See I need a girl who's right for me  
 Someone that will love me endlessly, yeah  
 I need a real love and not just a hit and run At the end of the night she think  
 It ain't fun if woah, woah, yeah  
 Wanna get your thing on it won't take long  
 'Cause a trick will give it up See I need a girl who's right for me

 Woah, woah, woah, woah
