

For You to Notice...

Dashboard Confessional

I'm starting to fashion an idea in my head
Where I would impress you
Where every single word I said
Would come out insightful or brave
Or smooth or charming And you'd want to call me
And I would be there everytime you need me
I'd be there everytime
But for now I'll look so longingly
Waiting for you to want me, for you to need me
For you to notice me I'm starting to fashion an idea in my head
Where I would impress you
Where every single word I said
Would come out insightful or brave
Or smooth or charming And you'd want to call me
And I would be there everytime you need me
I'd be there everytime
But for now I'll look so longingly
Waiting for you to want me, for you to need me
For you to notice me
