

Fire

Ingrid Michaelson

Open heart surgery
That is what you do to me
Cut me up, set me free
That is what you do to me Now I'm walking in, walking in a fire
I'm walking in a fire with you
I'm walking in, walking in a fire
When I walk into you
I'm walking in, walking in a fire
I'm walking in a fire with you
I'm walking in, walking in a fire
When I walk into you
Into you, into you, into you, into you, into you Heart attack up your sleeve
You can make me believe
I would grow from the ground
After you burn me down Now I'm walking in, walking in a fire
I'm walking in a fire with you
I'm walking in, walking in a fire
When I walk into you
I'm walking in, walking in a fire
I'm walking in a fire with you
I'm walking in, walking in a fire
When I walk into you
Into you, into you, into you, into you, into you
Into you, into you, into you, into you, into you You burn me up, you burn me up
You burn me up, and I love it
You burn me up, you burn me up
You burn me up, and I love it Now I'm walking in, walking in a fire
I'm walking in a fire with you
I'm walking in, walking in a fire
When I walk into you
I'm walking in, walking in a fire
I'm walking in a fire with you
I'm walking in, walking in a fire
When I walk into you
Into you, you burn me up
You burn me up, you burn me up
And I love it
