

God Is Moving

The Collingsworth Family

God is moving, moving here.
Moving with power, drawing near.
Moving with healing, removing fear.
God is moving, moving here. How sweet His fragrance in this room.
Awesome the rose of Sharon bloom.
Tender the loving shepherds embrace.
Holy anointing, is in this place. God is moving, moving here.
Moving with power, drawing near.
Moving with healing, removing fear.
God is moving, moving here. I speak his name and demons flee!
And it breaks the chains of captivity!
If you are weary, alone and afraid,
I have good news! He is here today! God is moving, moving here.
Moving with power, drawing near.
Moving with healing, removing fear.
God is moving, moving here. Moving with power! And he's drawing near!
God is moving, moving here.
