

Ok Ok Ok

Little Green Cars

where are we going
where are we going
with these arms
these legs
where am i crawling
where sam i crawling
back to love again
am i a soldier
am i a solier
if i am bloodied and cleaved
am i a soldier
am i a soldier
if i butcher hearts as a hobby
you stay with me tonight
dont let me out of your sight
would it take away the impression of glass
you reply no i say
alright ok ok ok thats fine
alright ok ok ok thats fine
but if you touch me and i scream
just remember
what i mean
i'm alright
am i demonic
am i demonic
if i diss
like the truth
am i a liar
am i a liar
if i deny my feelings for you
you stay with me tonight
dont let me out of your sight
will you take away the impression of glass
you reply no i say
alright ok ok ok thats fine
alright ok ok ok thats fine
but if you touch me and i scream
just remember what i mean
im alright

alright ok ok ok thats fine
alright ok ok ok thats fine
but if you touch me and i scream
just remember what i mean
if you touch me and i scream
just remember what i mean
im alright
