Games People Play

Inner Circle

Na na na na na na na na
Na na na na na na na na
Talkin' 'bout you and me, yeah and the games people play
Na na na na na na na na
Na na na na na na na na
Talkin' 'bout you and me, yeah and the games people playOh the games people play now every night and every day now
Never meaning what they say, yeah never saying what they mean
First you whine away your hours in your concrete towers
Soon you'll be covered up with flowers in the back of a black limousinePeople walking up to you singing glory Hallelujah
Then thy try to sock it to you, oh in the name of the LordNa na na na na na na na
Na na na na na na na na
Talkin' 'bout you and me, yeah and the games people play
Na na na na na na na na
Na na na na na na na na
Talkin' 'bout you and me, yeah and the games people playOh the games people play now every night and every day now
Never meaning what they say, yeah never saying what they mean
And they teach you how to meditate read up your horoscope
And change your faith and further more to hell with hate
Come on and give me some more, and more, and moreNa na na, na na na, na na
Na na na na na na na na
Talkin' 'bout you and me, yeah and the games people play
Na na na, na na na, na na
